

FX Clip Rail Wall Mounted

- The Clip Rail is aluminium and made in 2m and 3m lengths
- Standard finishes are gloss white and satin anodised aluminium
- Nylon bushes, fixing screws and masonry plugs are supplied for the Top Rail at the rate of nine per 3m length. Extra fixing packs can be ordered
- The endcaps are colour matched, in white or in pale grey

Manufactured in Australia

Suited for Domestic and Office Interiors.

The FX Clip Rail is a slimline clip rail system which simply snaps onto a horizontal line of mounting clips which are supplied 3 per meter along with screws and plugs

It is simple to install and gives a minimalist sleek appearance.

STEP 2. Hangers

Standard hangers:

Hangers, whether clear nylon or stainless steel cable, have ends which are inserted from the ends of the rail. They then slide along to the required position.

Prices are 'per hanger'.

Clip in hangers:

Click into and out of the top rail at any desired place
